WORK EXPERIENCE

Egon Zehnder International, Houston, TX

July 2014 - July 2015

Analyst

Collected and organized information about candidates for executive-level positions in energy, tech, and private equity. Collaborated with colleagues on multiple continents for three international searches. Planned a panel event for C-suite and board-level executives attending CERAWEEK, the energy industry's premier conference. Led and implemented changes for intern recruitment at Rice University.

Egon Zehnder International, Houston, TX

April 2013 - August 2013

Summer Analyst Intern

Collaborated with interns nationwide to develop an introduction to the firm's board consulting practice group. Surveyed and summarized the leadership and corporate structures of more than 100 companies in all sectors of the energy industry. Reviewed and strengthened the firm's ability to open and fill new executive searches promptly.
